

## **Integra LifeSciences to Present at the Bear Stearns 20th Annual Healthcare Conference and the First Albany Regenerative Technologies Conference**

PLAINSBORO, N.J., Sep 4, 2007 (PrimeNewswire via COMTEX News Network) --

Integra LifeSciences Holdings Corporation (Nasdaq:IART) announced today that it is scheduled to present at the Bear Stearns 20th Annual Healthcare Conference at The Grand Hyatt New York on Monday, September 10, 2007, and at the First Albany Regenerative Technologies Conference on Tuesday, September 11, 2007 at the Yale Club of New York, both in New York City. Both presentations will be delivered by Stuart Essig, Integra's Chief Executive Officer.

Integra LifeSciences Holdings Corporation, a world leader in regenerative medicine, is dedicated to improving the quality of life for patients through the development, manufacturing, and marketing of cost-effective surgical implants and medical instruments. Our products, used primarily in neurosurgery, extremity reconstruction, orthopedics and general surgery, are used to treat millions of patients every year. Integra's headquarters are in Plainsboro, New Jersey, and we have research and manufacturing facilities throughout the world. Please visit our website at (<http://www.Integra-LS.com>).

Statements made at the upcoming conference may be forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements involve risks and uncertainties that could cause actual results to differ from predicted results. Forward-looking factors that may be discussed include, but are not limited to, future financial performance, new product development, governmental approvals, market potential and resulting sales as well as potential therapeutic applications, and additional acquisitions. These risks and uncertainties include market conditions and other factors beyond the Company's control and the economic, competitive, governmental, technological and other factors identified under the heading "Risk Factors" included in item IA of Integra's Annual Report on Form 10-K for the year ended December 31, 2006 and information contained in subsequent filings with the Securities and Exchange Commission could affect actual results.
