

Integra LifeSciences to Present At the BMO Capital Markets Focus On Healthcare Conference and RBC Capital Markets Healthcare Conference

PLAINSBORO, N.J., Nov 29, 2007 (PrimeNewswire via COMTEX News Network) -- Integra LifeSciences Holdings Corporation (Nasdaq:IART) announced today that it is scheduled to present at two conferences in New York City next month. On Wednesday, December 5, 2007, the company will present at the BMO Capital Markets Focus on Healthcare Conference at the Millennium Broadway Hotel. The presentation will be delivered by Stuart Essig, Integra's Chief Executive Officer. On Wednesday, December 12, 2007, Gerry Carozzi, Integra's Chief Operating Officer, will participate in a panel discussion at the RBC Capital Markets HealthCare Conference at the Westin New York at Times Square.

Both presentations will have a live webcast that accessible through a link provided in the Investor Relations section of Integra's website at <http://www.integra-LS.com>. Additionally, a replay of each webcast will be available for two weeks following the live event.

Integra LifeSciences Holdings Corporation, a world leader in regenerative medicine, is dedicated to improving the quality of life for patients through the development, manufacturing, and marketing of cost-effective surgical implants and medical instruments. Our products, used primarily in neurosurgery, extremity reconstruction, orthopedics and general surgery, are used to treat millions of patients every year. Integra's headquarters are in Plainsboro, New Jersey, and we have research and manufacturing facilities throughout the world. Please visit our website at <http://www.Integra-LS.com>.

Statements made at the upcoming conferences may be forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements involve risks and uncertainties that could cause actual results to differ from predicted results. Forward-looking factors that may be discussed include, but are not limited to, future financial performance, new product development, governmental approvals, market potential and resulting sales as well as potential therapeutic applications, and additional acquisitions. These risks and uncertainties include market conditions and other factors beyond the Company's control and the economic, competitive, governmental, technological and other factors identified under the heading "Risk Factors" included in item IA of Integra's Annual Report on Form 10-K for the year ended December 31, 2006 and information contained in subsequent filings with the Securities and Exchange Commission could affect actual results.
