

Finance Committee Charter

This Finance Committee Charter was adopted by the Board of Directors (the "Board") of Integra LifeSciences Holdings Corporation (the "Company") on July 24, 2013, and amended on November 20, 2018 and July 19, 2022.

I. Purpose

The purpose of the Finance Committee (the "Committee") of the Board of the Company shall be to provide advice to management on matters related to financing strategy, as well as the Company's capital structure and capital allocation initiatives.

II. Membership

The Committee shall be composed of at least three directors, as determined by the Board, each of whom has experience, in the business judgment of the Board, that would be helpful in addressing the matters described herein. The members of the Committee, including the Chair of the Committee, shall be appointed by the Board based on nominations recommended by the Company's Nominating and Corporate Governance Committee. Committee members shall serve at the pleasure of the Board, for such term or terms as the Board may determine, and may be removed from the Committee, with or without cause, by the Board. Any action duly taken by the Committee shall be valid and effective, whether or not the members of the Committee at the time of such action are later determined not to have satisfied the requirements for membership provided herein.

III. Meetings and Procedures

The Chair (or in his or her absence, a member designated by the Chair) shall preside at each meeting of the Committee and set the agendas for Committee meetings. The Committee shall have the authority to establish its own rules and procedures for notice and conduct of its meetings so long as they are not inconsistent with any provisions of the Company's bylaws that are applicable to the Committee. The Committee shall meet at least annually, either in person or telephonically, and at such times and places as the Committee shall determine, and shall hold further meetings (or take additional actions by unanimous written consent) as the Committee deems necessary or desirable to fulfill its responsibilities. Directors that are not members of the Committee may attend and observe meetings of the Committee, but shall not be entitled to vote. The Chair of the Committee shall report to the Board regarding the activities of the Committee at appropriate times and as otherwise requested by the Chairman of the Board.

In addition to the powers and responsibilities expressly delegated to the Committee in this Charter, the Committee may exercise any other powers and carry out any other responsibilities delegated to it by the Board from time to time consistent with the Company's certificate of incorporation, bylaws, Corporate Governance Guidelines and applicable law and rules of markets in which the Company's securities then trade. The powers and responsibilities delegated by the Board to the Committee in this Charter or otherwise shall be exercised and carried out by the Committee as it deems appropriate without requirement of Board approval, and any decision made by the Committee (including any decision to exercise or refrain from exercising any of the powers delegated to the Committee hereunder) shall be at the Committee's sole discretion. While acting within the scope of the powers and responsibilities delegated to it, the Committee shall have and may exercise all the powers and authority of the Board. To the fullest extent permitted by law, the Committee shall have the power to determine which matters are within the scope of the powers and responsibilities delegated to it.

The Committee shall have the sole authority, as it deems appropriate, to select, retain and/or replace, as needed, any independent counsel, consultants and other outside experts or advisors (each, an "Advisor") as the Committee believes to be necessary or appropriate. To the extent required by Nasdaq Stock Market ("Nasdaq") rules, the Committee may select and/or receive advice from an Advisor only after taking into consideration all relevant independence factors, including any applicable factors under Nasdaq rules. The Committee may also utilize the services of the Company's regular legal counsel or other advisors to the Company. The Company shall provide for appropriate funding, as determined by the Committee in its sole discretion, for payment of reasonable compensation to any such persons retained by the Committee and for ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

IV. Duties and Responsibilities

The purpose of the Finance Committee (the "Committee") of the Board of the Company shall be to provide advice to management on matters related to financing strategy, which shall include the periodic evaluation of the status of significant relationships with rating agencies, commercial banks and investment banks, as well as the Company's capital structure and capital allocation initiatives. The Committee shall evaluate its own performance on an annual basis, including its compliance with this Charter, and provide any written material with respect to such evaluation to the Board, including any recommendations for changes in procedures or policies governing the Committee. The Committee shall conduct such evaluation and review in such manner as it deems appropriate. The Committee shall review and reassess the adequacy of this Charter at least annually and submit any recommended changes to the Board for its consideration.

V. Delegation of Duties

In fulfilling its responsibilities, the Committee shall be entitled to delegate any or all of its responsibilities to a subcommittee of the Committee, to the extent consistent with the Company's certificate of incorporation, bylaws, Corporate Governance Guidelines and applicable law and rules of markets in which the Company's securities then trade.
